Home

The [Home](#) option shows you the comics you are currently reading. You can also find lists for recommended comic reading, such as [New This Week](#), [Popular This Week](#), and [Pinned Reading Lists](#).

Reading Lists

The [Reading Lists](#) option displays Marvel's curated lists. You can use these lists to find popular characters, comic events, and series.

Browse

The [Browse](#) option lets you search the Marvel database. Also, you can browse alphabetically to find series, characters, creators, and comic events. The [Publication Date](#) feature within the [Browse](#) option lets you search by date range.

My Library

The [My Library](#) option lets you see the comics in your digital library, including the issues you previously read.

Account

The [Account](#) option allows you to manage your account. Also, this option includes the [Sign Out](#) feature that lets you log out of your account.

Reading a Comic

To read a comic:
